Free Mobile Apps

Find it

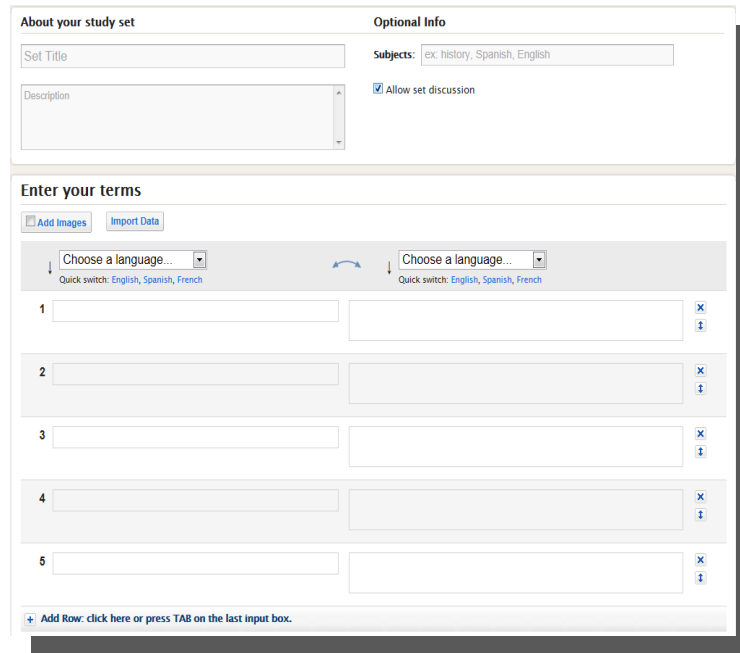

In **Quizlet**, you are able to search topics, or browse areas that you need for studying. Find pre-made flashcards, and start studying!

Select **Add to Favorites** in the bottom left corner to study the content later on!

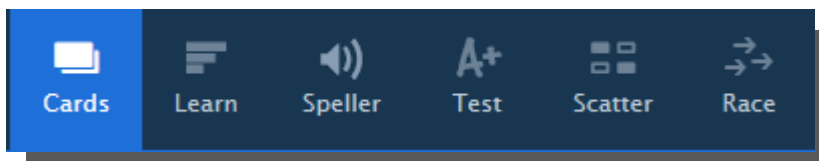

Create it

Create your own flashcards! Name your set, describe what it's all about, and enter your terms to begin studying!

Learn it!

Quizlet gives you a variety of strategies to study with!

Office of Academic Affairs & Office of Information Technology
at
St. John Fisher College

Learn

Quizlet will ask you a series of questions, and you will type the answers.

Speller

Listen to what **Quizlet** says, and type what you hear.

Test

Written, matching, True/False, and Multiple Choice are used to test your knowledge. Use this to track your progress.

Flashcards

Simply flip through the terms and definitions that you would like to study.

Scatter

Terms and definitions will be scattered. Drag to match, and watch them disappear.

Space Race

As the definitions cross the page, type out the term and win the race!

[+ Add a Class](#)

Select **Add a Class** on the left side of your home screen. From there, you can type in the name of your class, and see what you can find!

Organize your sets and collaborate with others

What is your class called?

AP French Selvin

5 existing classes found

Don't see the class you want?

Tip for Flashcards

When flipping through flashcards, if you click on the term and the definition, it will read it out loud to you.

To flip the card, simply hit the down arrow on your keyboard.

Join Classes

With the free version, you can join a **maximum** of 8 classes at a time.
